

KUMUSHA

WINE DINNER

ABOUT

95a Bistro and Co is proud to present a very special wine dinner featuring South African wines from Kumusha by Tinashe Nyamudoka and six courses by our talented chefs Paolo Neville and Trevor Ogden. We will be joined by Tinashe Nyamudoka himself, star of the new Tribeca Film Festival winner “Blind Ambition”. To say that Mr. Nyamudoka and the Kumusha wines have taken the wine world by storm is an understatement and we are so very excited to share this story with you! The name Kumusha itself is translated from Tinashe Nyamudoka’s native Zimbabwean Shona language as “your roots”, “your home” or “your origin”, so in this spirit, we will be offering courses featuring the late summer harvest of our beautiful Colorado.
